How to plan your stay in Jordan during the event:

The opening hours of the event are designed to be evening time due to the visitor's trend and summer time in Jordan. The opening hours will be 14.00 to 21.00 starting on Monday 18th May to Thursday 21th June 2015; This timing is very effective for the exhibitors and visitors; they would arrange customers' visits or special meetings or presentations in the morning. Accordingly the exhibitors will have a chance to be in touch with the elements of nature in Jordan.

Jordan is a land that encompasses all, sea and mountains, waterfall and dessert. From the relaxing water of the Dead Sea 400 meters below sea level, to the amazing mountains and desert of Wadi Rum, or Petra one of the new seven wonders, A close second to Petra on the list of favorite destinations in Jordan, the ancient city of Jerash boasts an unbroken chain of human occupation dating back more than 6,500 years, and the rushing waterfalls of Wadi Mujib.

Thursday or Friday 21st or 22nd May would be the nice rest day to visit Petra or Dead Sea. The weather in May is the ideal time for a trip to these destinations.

The organizers are at your services to arrange excursions to visit the attractive places in Jordan through SONEX days and the next weekend after the event, (Petra, Jerash, Wadi Rum, Aqaba, Dead Sea...) Details about tourism opportunities and important information required for tourists (visa, hotels, currency, tourism places, maps ...etc. in Jordan are available at the web-site of the Ministry of Tourism and Antiquities: www.mota.gov.jo
