

Custom regulations and clearance:

The exhibitors should dispatch the exhibiting items which will be declared for temporary entry to be at the Jordanian Customs Borders before 25th September 2015 as the custom clearing for temporary entry needs few days.

Special approval and bank guarantee will be required. The organizer will provide the exhibitor with the official statement issued by the Custom Department and the Ministry of Trade and Industry to facilitate the clearing at the Custom Department.

Based on the details of the invoice and packing list the organizers will support the exhibitors to get in contact with non-exclusive authorized logistic companies.
