

Under the Patronage of His
Excellency The Prime Minister

The 7th

The 7th

Interbuild Jordan Fair 2014

The 7th Fair for Construction Technologies
Installation Techniques for Buildings, HVAC & R, Solar Systems,
Building Industry, Architecture, Decoration, Marble & Stones,
Wood Industries, Lighting, Real Estate & Investment

In Conjunction with
The 8th Jordanian International Mechanical Engineering Conference

Countries of Exhibitors

India – China – Belgium – Poland – Hungary - Greece
UAE – Palestine – Egypt & Jordan

Free Parking
Near Venue

22 - 25 / 9 / 2014

Halls of Zara Expo
Near Grand Hyatt Amman Hotel
3rd Circle / Amman - Jordan

Post Show Report 2014 /2015

Interbuild Jordan Fair 2014 has been organized **under the Patronage of His Excellency the Prime Minister** in cooperation and partnership with Jordan Engineers Association, with participation of 120 exhibitors from India (Pavilion), China (Pavilion), Greece, Hungary, Belgium, UAE, Egypt, Palestine and Jordan.

- Construction & Building Industry
- Stone, Mable & Granite
- Decoration
- Green Energy / Buildings
- Other Sectors

Total Exhibitors: 120
International Exhibitors: 55
Domestic Exhibitors: 65

Pavilions:
India: 36 Exhibitors
China: 7 Exhibitors

International Participation (12):
Greece, Hungary, Belgium, UAE, Egypt and Palestine

Local Participation:
Building Industry
Trading
Governmental
Education

Major Exhibiting Sectors:
Construction & Building Industry: 30%
Stone & Mable: 20%
Decoration: 20%
Green Energy and Green Buildings: 15%
Other Sectors: 15%

Accompanied Event:
The 8th Jordanian International Mechanical Engineering Exhibition

Visitors:
No. of total attendants: 4900
Trade Visitors: 4200
Country of Visitors: Jordan, Palestine, Iraq, Lebanon, Egypt, UAE, Saudi Arabia, India, China, Poland, Turkey and China.

Upcoming Event

The **8th**

Four Events in one fair to
generate Green Business

Interbuild Jordan Fair 2015

The 8th Fair and Conference for Construction Technologies and Building Industry
Lighting, Architecture, Decoration, Marbles & Stones, and Installation Techniques

Integrated with

STONE-JO Show 2015

Stones, Marble and Granite Show

In Timing with

JIEEEC 2015

The 9th Jordanian International Electrical &
Electronic Conference

In Parallel and Conjunction with

SPARK Exhibition 2015

Conferences & Shows in parallel and conjunction with **Interbuild Jordan Fair 2015**

12 - 14 / 10 / 2015
Zara Expo / Amman - Jordan

STONE-JO Show 2015

Stones, Marble and Granite Show

In harmony, integration and conjunction with Interbuild Jordan Fair 2015, STONE-JO Show is accompanying the event with participation of international players in stones, marble and granite, also tiles and ceramic industries. In addition to the suppliers and manufacturers for the required tools and accessories required for this industry.

Exhibiting Sectors:

Natural Stones, Artificial Stones, Marbles and Granit, Machines and Tools for Stones, Isolation Material, Adhesives, Kitchens and Stones Decoration, Architecture and Sculpture

JIEEEEC Conference 2015 & SPARK Exhibition 2015

In timing and parallel to Interbuild Jordan Fair 2015, the JIEEEEC 2015 conference and SPARK exhibition are organized. JIEEEEC 2015 is the 9th Jordan International Electrical and Electronics Engineering Conference organized by the Jordan Engineers Association (JEA) in cooperation with the Institution of Engineering and Technology (IET) Jordan Section, the Institute of Electrical and Electronics Engineers (IEEE) Jordan section, and FP7 JEWEL

Whereas SPARK Exhibition 2015 is the Electrical and Electronic Engineering Exhibition designed to cover the hot topics of the conference JIEEEEC 2015 and Interbuild Jordan Fair.

Topics and exhibiting sectors:

The exhibiting sectors are including the major engineering applications and installation techniques of all sectors of electrical and electronic engineering: Electrical installation, lighting, LED Lighting, BMS, home automation, security, monitoring systems, instrumentation, computer engineering and installation, communication, engineering training and education, electrical and electronic tools.

Themes of JIEEEEC2015 Conference:

- Symposium on Computers
- Symposium on Medical Technology & Applications
- Symposium on Nano-electronics & Applications
- Symposium on Communication
- Symposium on Power and Energy
- Workshops - with specialized focus on the latest breakthroughs in the fields of the technical symposia technologies, in an environment that encourages discussion and debate.
