

In Timing and Parallel with Interbuild Jordan Fair 2015 JIEEEC Conference 2015 & SPARK Exhibition

JIEEEC 2015 conference and SPARK exhibition are organized in timing and parallel with Interbuild Jordan Fair 2015. JIEEEC 2015 is the 9th Jordan International Electrical and Electronics Engineering Conference organized by the Jordan Engineers Association (JEA) in cooperation with the Institution of Engineering and Technology (IET) Jordan Section, the Institute of Electrical and Electronics Engineers (IEEE) Jordan section, and FP7 JEWEL

Whereas SPARK Exhibition 2015 is the Electrical and Electronic Engineering Exhibition designed to cover the hot topics of the conference JIEEEC 2015 and Interbuild Jordan Fair.

Topics and exhibiting sectors:

The exhibiting sectors are including the major engineering applications and installation techniques of all sectors of electrical and electronic engineering:

- Electrical installation.
- Lighting & LED Lighting.
- BMS & home automation.
- Security, monitoring systems.
- Drives & instrumentation.
- Computer engineering and installation.
- Communication and internet applications.
- Electronics and Bio-medical engineering.
- Engineering training and education.
- Electrical and electronic tools.

Attendants Profile:

This event is well known for the high quality attendance and activities.

Thousands of engineers, experts, trade visitors, consultants, contractors, technicians, businessmen and officials are visiting this exhibition and participating in the workshops and presentations.

More than 600 electrical and electronic engineers are participating in the conference and accompanied activities.

Conference Symposia and topics:

- Symposium on Communications.
- Symposium on Computers.
- Symposium on Medical Technology & Applications.
- Symposium on Power or Energy.
- Symposium on Nano-electronics & Applications.

Jordan Engineers Association

The 9th Jordan International Electrical and Electronics Engineering Conference (JIEEEEC 2015) Share your research – GO GLOBAL!

The 9th Jordan International Electrical and Electronics Engineering Conference (JIEEEEC 2015), will be held in Amman, Jordan, from 12 - 14 October 2015. The conference committee has set up a high quality technical program, where researchers from around the globe will present their ideas and cutting edge research.

Accepted papers will be published in the proceedings of the conference as well as on IEEE Explore. Authors of selected papers will be invited to publish extended versions of their work in JEA Journal of Electrical Engineering (JEAJEE). JIEEEEC 2015 is organized by the Jordan Engineers Association (JEA) in cooperation with the Jordan Sections of the Institution of Engineering and Technology (IET), the Institute of Electrical and Electronics Engineers (IEEE), and the EU-MOSAIC Project.

Organizing Committee

General Chair

- Moussa Habib, Jordan Engineers Association, Jordan

General Vice Chair

- Ibrahim Ghareeb, Jordan University of Science and Technology

Symposia Chairs

- Abdoul Rjoub, Jordan University of Science and Technology
- Jamal Rahhal, University of Jordan
- Raed Abuzitar, American University of Madaba, Jordan
- Dia Abu-Nadi, German Jordanian University, Jordan
- Osama Saadeh, Jordan University of Science and Technology

Publicity & Exhibition Committee Chair

- Ahmad Al-Borini, Iradh for leadership training, Jordan Workshop Chair
- Rana Ramadan, Al-Ahliyya Amman University, Jordan

Technical Program

- Mohammed Al-khaswneh, JUST, Jordan
- Omar Daoud, Philadelphia University, Jordan

Publications Chair

- Mohammad Alhunaity, Al-Balqa' Applied University, Jordan

Keynote Forums Chair

- Ali Al-Maqousi, University of Petra, IEEE, Jordan

Members

- Ahmad Nuseirat, Ajloun National University, Jordan
- Ahmad Tawayha, Princess Sumaya University, Jordan
- Omar Daoud, Philadelphia University, Jordan
- Waleed Banihani, Jordan Engineers Association, Jordan
- Wijdan Al-Rabadi, IET, Jordan
- Abdel-Fatah Daradkah, NEPCO-Cigre, Jordan
- Mahmoud Naser, Jordan Engineers Association, Jordan
- Mahammad Al-Sumady, Yarmouk University, Jordan
- Yasin Al Shiboul, Al-Balqa' Applied University, Jordan
- Haitham Kreishan, JAF, Jordan
- Basim Al-Khateeb, KADDB, Jordan
- Raed jemayyle, JEPKO, Jordan
- Nabil Tawalbeh, IEEE, Jordan

Conference Coordinator

- Mohammed Al-Ali, JEA, Jordan
jieeeec@jea.org.jo; jieeeec2015@gmail.com,
Mobile: 00962785822193

Exhibition Coordinator

- Hani Ghanem, JEA, Jordan
hanighanem@yahoo.com
Mobile: 00962777336300

Technical Program

- Technical Symposia - providing numerous technical sessions with papers presenting the latest technical advances through peer-reviewed papers. Prospective authors are invited to submit original technical papers for presentation at symposia and publication in the conference proceedings from the Conference Symposia:
 - Communications - Computers - Power and Energy
 - Bio-Medical Applications - Nano-electronics & Applications
- Tutorials - offering education for keeping up with new and emerging topics essential for today's engineering and technology environment.
- Workshops - with specialized focus on the latest breakthroughs in the fields of the technical symposia technologies, in an environment that encourages discussion and debate.

Submission Guidelines

JIEEEEC 2015 accepts only novel, previously unpublished papers in the areas of the conference technical symposia. Prospective authors are encouraged to submit a PDF file of a full paper following the IEEE single-space, two-column format using at least 10 point size type. Please use only standard fonts such as Times Roman, Courier, Symbol, and Helvetica. The IEEE LaTeX and Microsoft Word templates, as well as related information, can be found at the IEEE website. Manuscripts should not exceed 6 pages in size including all text, figures, tables, and references. Paper submission is managed through EDAS: <http://edas.info/N18925>. All papers must be submitted in PDF format. Submission of a paper should be regarded as an undertaking that, should the paper be accepted, at least one of the authors will register for the conference and present the work.

Complete paper submission due: 01/03/2015; Acceptance notification: 30/06/2015; Camera-ready due: 31/07/2015

- Keynote Forum – where top industry leaders share their visions and experiences, and challenge us in exciting new technologies.
- SPARK Exhibition is accompanying the conference where major vendors and service providers have the opportunity to display their products.
